

6TH GLOBAL SUPPLY CHAIN 'THOUGHT LEADERSHIP' SUMMIT

The Davos of Global Supply Chain 'Thought Leadership'

29-30 SEPTEMBER, 2015, ATHENS, GREECE

THEME: Building *dynamic* institutions in the new networked world

////// BOOKING FORM //////////

This is a '*by-invitation-only*' event, because in this way we can influence who is present on the panels and in the audience during our 'thought leadership' exchanges on the various topics listed for discussion. We also seek to avoid having direct competitors in the room, because this can stifle discussion.

Having said that, we are keen for those invited, to attend with company colleagues, drawn from across a number of internal functions; this helps build internal cross-functional understanding and cohesion in the enterprise.

For that reason we have developed the following registration fees structure, and hopefully this will encourage attendance by company teams.

Select one of the options below:

	NUMBER OF ATTENDEES	PER HEAD FEE	AGGREGATE TEAM FEE
<input type="checkbox"/>	1	Euros 2,800 / USD 3,500	Euros 2,800 / USD 3,500
<input type="checkbox"/>	2	Euros 2,400 / USD 3,000	Euros 4,800 / USD 6,000
<input type="checkbox"/>	3	Euros 2,000 / USD 2,500	Euros 6,000 / USD 7,500
